Professional Summary

Application Support Engineer with experience in software testing, system monitoring, and backend troubleshooting. Skilled in supporting enterprise applications, performing API testing, database queries, and defect resolution. Strong background in quality assurance and production support, with hands-on technical knowledge in Java, Spring Boot, and SQL. Adept at collaborating with cross-functional teams to ensure application stability and customer satisfaction.

Technical Skills

Languages: Java, SQL

Frameworks & Tools: Spring Boot, Spring MVC, Hibernate, Postman, JUnit, Mockito

Databases: MySQL, PostgreSQL

Support Tools: Git, Maven, IntelliJ IDEA, Linux (basic)

Core Skills: Application Support, API Testing, Troubleshooting, Incident Management, Quality Control

Experience

Software Tester / Application Support

Dual IT, Egypt | Aug 2023 – Jun 2024

- Supported ERP modules (Finance, HR, Sales) by executing and validating test cases.
- Performed API testing with Postman and assisted in defect resolution with developers.
- Provided L2 application support by investigating issues and escalating when required.
- Documented technical issues and ensured smooth handover to development teams.

Quality Control Specialist

Misr Elnour Company, Egypt | 2020 – Present

- Conducted quality assurance for production processes, ensuring compliance with standards.
- Collaborated with production and technical teams to troubleshoot system and process issues.
- Prepared detailed reports and maintained documentation for compliance and audits.

Projects

Library Management System (Spring Boot + MySQL)

- Built REST APIs and integrated authentication & role-based access.
- Supported deployment, testing, and troubleshooting of the system.

Employee Management System (Spring MVC + PostgreSQL)

- Developed and maintained CRUD operations for employees and departments.
- Ensured application stability by monitoring logs and database queries.

Education

Bachelor of Science – Faculty of Science, Tanta University, Egypt | 2017
