🌐 Mahmoud Amin 🔄 MahmoudRajab77 🔗 LetsDefend ☁ MR77 🛡 Served

SUMMARY

Recent Computer Science graduate with strong background in networking and cybersecurity, certified by Cisco in Networking and Cybersecurity fundamentals. Skilled in security monitoring, incident analysis, and problem-solving with hands-on practice on platforms like TryHackMe and LetsDefend. Eager to grow as a SOC Analyst and contribute to strengthening organizational defenses.

EDUCATION

Bachelor's Degree Computer Science,	09/2017 – 05/2021
Beni-Suef University Faculty of Computer & Artificial Intelligence	Beni-Suef, Egypt
GPA : 2.9/4 (Very Good)	
Graduation Project Grade : Excellent	

EXPERIENCE

Cybersecurity Intern, Optima Professional Services	08/2025 – 09/2025 Cairo, Egypt
Embedded ARM Based Trainee, IMT School	11/2020 – 02/2021 Giza, Egypt
Embedded AVR Based Trainee, IMT School	04/2020 – 10/2020 Giza, Egypt
Cloud Application Developer Intern, IBM Egypt	04/2018 – 05/2018 New Giza, Egypt

COURSES

Cybersecurity Academy (Graduate Level), NTI	09/2025 – 10/2025
Junior Cybersecurity Analyst Path, Cisco Networking Academy	07/2024 – 06/2025
Ubuntu Linux Essentials, Mahara-Tech	01/2024 – 02/2024
Master Python Complete Course, Udemy	02/2020 – 03/2020

SKILLS

Network Protocols: TCP, UDP, DHCP, DNS, FTP, SSH | **Network Types:** LAN, WAN |
VPN: Remote Access, Site-to-Site, Intranet | **Models:** TCP Model, OSI Model |
Active Directory | **CIA Triad** | **Cyber Best Practices** | **Cyber Kill Chain** |
Common Attacks | **Threat Detection** | **Basic Risk Assessment** | **Alert Triage** |
Log Analysis & Correlation | **Network Packet Analysis:** Wireshark, TCPdump |
Port Scanning: Nmap | **Vulnerability Scanning:** OpenVAS, Nessus |
Google Cloud Security | **Malware Analysis:** Static, Dynamic | **Cryptography:** Encryption, Hashing | **Proxy:** Forward Proxy, Reverse Proxy | **IPS/IDS** | **EDR** | **XDR** |
Firewalls: Packet-Filtering, Stateful Inspection, Proxy Firewall, Next-Generation (NGFW), WAF
Antivirus | **Sandbox** | **Load Balancer** | **Data Loss Prevention (DLP)** |
Incident Response | **Threat Intelligence** | **MITRE ATT&CK** | **OWASP** | **NIST** |
ISO 27001 | **SIEM Solutions:** Qradar, Splunk | **SOAR** | **Tools:** Cisco Packet Tracer, Trello, Microsoft Office | **Version Control:** Git, Github | **Operating Systems:** Windows, Linux |
Programming Languages: Embedded C, C++, Python, HTML, CSS, SQL |
Programming Skills: Object Oriented, Data Structure, Algorithms, Problem Solving, Debugging

VOLUNTEERING

IEEE Beni-Suef Student Branch, Public Relations 03/2018 – 05/2021
Beni-Suef, Egypt

AWARDS

3rd - Problem Solving Competition 2019, IEEE Minia University Student Branch
8th - ACM Sa3edy Programing Contest 2018, Minia University | ACM Student Chapter

LANGUAGES

Arabic: Native • **English:** Advanced • **French:** Intermediate • **German:** Beginner
