Strong background in **UI/UX design**, **wireframing**, and **prototyping** using **Figma** and **Adobe tools**. Focused on clean code, performance optimization, and **agile** development to build scalable, **user-centered** web applications..

EDUCATION

Bachelor of Computer and Information Science

Ain Shams University | Information Systems Department

Grade: Good

2024

INTERNSHIP

Information Technology Institute (ITI) Intensive Code Camp

Jul 2025 – Dec 2025

- Developed responsive web interfaces using HTML, CSS, JavaScript, TypeScript, Tailwind CSS and Bootstrap.
- Built dynamic components using Vue.js and practiced component-based architecture.
- Designed and prototyped UI layouts with Figma and Adobe tools.
- Collaborated in team projects using Git and GitHub for version control.

Frontend Development (IEEE Delta Academy)

Sep 2024 – Jan 2025

- Created mini-projects focusing on DOM manipulation and interactivity.
- Practiced problem-solving and debugging in JavaScript.

PROJECTS

Journal Editor Assisting System (Graduation Project)

- Built a web system to support journal editors in managing academic papers.
- Developed frontend using React and backend using Node.js & MySQL.
- Integrated a Python ML model to automatically classify research papers.

Karakib Eco-Friendly Recycling Platform (ITI Project)

- Designed** complete UI/UX in **Figma** and developed frontend using **Vue.js**.
- Implemented **responsive layouts**, **dark/light** mode, and **bilingual** UI.
- Collaborated with a 4-member team during a 5-month intensive program

ToDo App (PWA)

- Implemented offline support using Service Workers and IndexedDB.

SKILLS

- Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript
- Frameworks & Libraries:** Vue.js, Bootstrap, Tailwind CSS
- Tools:** Git, GitHub, VS Code, Figma, Adobe Photoshop, Illustrator
- Concepts:** Responsive Design, UI/UX Principles, PWA, DOM Manipulation, REST APIs

COURSES & CERTIFICATIONS

- Certificate of Completion — ITI Intensive Code Camp (UI-UX Development Track)
- UI/UX Design Fundamentals (Coursera)
- Full Stack Development (FreeCodeCamp)
- Version Control with Git & GitHub (FreeCodeCamp)
