WORK EXPERIENCE

Oracle Senior Project Controls Manager / Senior Project Manager | Azdan

Cairo ,Egypt

2023 – Present

- Project Initiation, Planning, Executing, Controlling & Closing
- Scope, change Management, Stakeholder Management.
- Designed and institutionalized the PMO SOP framework, improving governance compliance by 80%.
- Maintained full lifecycle project documentation in structured repositories (Synology, Notion).
- Oversaw the fair and strategic allocation of approximately 100 resources across all projects.
- Developed and continuously improved standardized project templates and documentation.
- Led the enforcement and awareness of project governance policies across departments.
- Resource Allocation & Management.

ACHIEVEMENTS

- Eliminated resource over-allocation across all active projects.
- Institutionalized standardized templates and SOP documents across PMO.
- Launched internal SOP awareness campaigns and contributed to SOP creation for other departments.

Oracle NetSuite Senior Functional Consultant / Project Manager | E-digits

Cairo ,Egypt

2022 – 2023

- Delivered end-to-end Oracle NetSuite implementations including analysis, CRPs, UATs, and go-live support.
- Developed documentation across the project lifecycle—requirements, design, and training materials.
- Customized dashboards, KPIs, workflows, and saved searches for multi-departmental use.
- Collaborated with technical teams to align configurations with business needs.
- Led client communication and workshops to ensure high-impact ERP deployment.
- Provided post-go-live technical support and change request assessments.

ACHIEVEMENTS

- Successfully led multiple NetSuite rollouts with minimal change requests.
- Delivered high-quality solution demos tailored to various industries under tight timelines.

Odoo & Market Control Functional Consultant | Softex

Cairo ,Egypt

2019 – 2022

- Delivered end-to-end Odoo ERP implementation including configuration, testing, and client onboarding.
- Acted as the functional lead in industries including manufacturing, real estate, and e-commerce.
- Coordinated with clients to gather requirements and propose effective business solutions.
- Conducted training sessions and created process documentation for end-users.
- Collaborated with the Sales team to prepare and deliver tailored demos.
- Oversaw solution testing phases to ensure operational readiness.

ACHIEVEMENTS

- Delivered comprehensive ERP solutions to several businesses in less than two months.
- Played a central role in expanding Softex's ERP offering into diverse sectors.

Customer Support Manager | OneCard

Cairo ,Egypt

2017 – 2019

- Managed a 10-person support team working in rotational shifts to cover 24/7 e-commerce support.
- Monitored escalations, quality assurance, and daily KPIs to ensure high CSAT scores.
- Implemented support documentation and internal training programs.
- Proposed and implemented new upselling initiatives through support channels.
- Coordinated between technical and operations teams for workflow improvements.
- Used CRM systems to track customer interactions and issue resolutions.

ACHIEVEMENTS

- Boosted customer retention by optimizing workflows and cross-selling.
- Reduced escalations by introducing standardized documentation and response scripts.

Customer Support Agent | OneCard

Cairo ,Egypt

2012 – 2017

- Handled customer inquiries via chat, email, and ticketing systems.
- Logged interactions in CRM systems with a focus on traceability.
- Created support presentations and guides to enhance team performance.
- Provided feedback for platform improvements based on customer issues.
- Supported team initiatives to develop a knowledge-sharing culture.
- Participated in the creation of user documentation and FAQs.

ACHIEVEMENTS

- Significantly improved first-response time by contributing to internal documentation.
- Recognized for proactive contributions to the support knowledge base.

Operational Specialist | Vodafone Egypt

Cairo ,Egypt

2010 – 2012

- Handled in-store sales and inventory management for high-traffic locations.
- Contributed to achieving monthly sales targets and store KPIs.
- Coordinated with logistics and finance teams to ensure stock accuracy.
- Identified and implemented improvements in operational workflows.
- Supported cross-department communication between store and corporate teams.
- Delivered real-time inventory and sales reports to management.

ACHIEVEMENTS

- Played a pivotal role in boosting store efficiency through internal process enhancements.
-

- Trained new hires on product knowledge and technical troubleshooting.
- Monitored team performance and provided individualized coaching.
- Developed training materials and onboarding modules.
- Delivered technical and product refreshers for existing staff.
- Motivated teams and helped resolve operational challenges during early shifts.
- Conducted evaluation sessions to assess training effectiveness.

ACHIEVEMENTS

- Improved team readiness by redesigning product-specific training sessions.
- Achieved higher retention and performance scores through structured coaching.
