

Bilal Badrieh

Account Manager & ERP specialist

PROFILE

Experienced Account Manager with over 10 years in financial and accounting management, with a proven track record of improving financial operations, preparing budgets, and analyzing data. Skilled in team management and client communication to ensure accurate accounts and achieve organizational financial goals. And a specialist and developer in Odoo . I have managed and implemented all daily financial operations and linked them to other operational modules within the system. This ensures data accuracy and comprehensive financial performance analysis, tailored to the nature of the company's activity.
